

EYRE

HEAVY DUTY FLEET SERVICES

Eyre's full-service 6-bay shop in action.

One of our top techs runs a diagnostic check.

*Keeping your fleet in top shape
is our business and our passion.*

*Our highly trained techs equipped with a state-of-the-art shop
work to earn your business and trust...one vehicle at a time.*

1. PREVENT. Preventive Maintenance is the cornerstone of success when operating equipment. Unnecessary breakdowns can be detrimental and costly to your business. Let us help you keep your equipment operating safely and effectively.

2. DIAGNOSE. We understand the critical nature of accurate diagnostics. With our highly trained technical team and state-of-the-art equipment we are able to take on the challenges of today's complex engine technology.

3. REPAIR. Our wide range of services, from preventive maintenance to total engine rebuilds, allows you to stay on the road ahead of the competition. We are passionate about fixing your equipment right the first time. We want to earn your business and build positive, long-lasting relationships.
